ARCH MULTITRADE

Embark on a voyage with Arch Spices to historic food habits of India. Immerse yourself in traditions older than time.

The delicious aroma, great taste, unique color and finger-licking flavor -all these together make a perfect blend and are found in ARCH SPICES. The secret of the delicious flavor of Indian food is its rich spices that are used for thousands of years and spreading all over the world. We offer spices known for taste and appealing aroma that adds tang to foodstuff.

WHAT WE ARE ?

Arch Multitrade Pvt. Ltd. welcomes you to a healthy and hygienic world of spices and allied products. We dedicate ourselves to provide authentic Indian spices to our consumers while maintaining the highest quality & hygiene standards Arch Spices has created a brand which is known for purity and quality of spices. This has been possible by associating the best vendors across the countries to source the raw materials for the Production. Arch Spices are sourced from the prime spice growing locations of the country to ensure the highest quality and packed hygienically using state of the art equipment to ensure minimal human contact. Low Temperature Grinding is used for better retention of natural oils & flavors in the spice. Our highly developed infrastructural facility is upgraded on a regular basis and all the spices are processed and blended in automatic machines at every stage and before packing.

**We try a variety of different ingredients to keep the taste at their best.
But then we keep going and pushing for even better results.**
